

EUGENE A. MITCHELL, JD, CSP, ARM

Owner/Principal Consultant
www.SafetyPartnerSolutions.com
Eugene A. Mitchell & Associates, LLC

Gene Mitchell has over forty years of safety and health consulting experience. First as a senior consultant and staff attorney with the two largest global insurance brokers and presently with his consulting firm

His safety, health and ergonomics consulting practice throughout North America includes a wide variety of clients in municipalities, restaurants, food processing, medical and chemical products, pipeline operations, warehouse and distribution, machinery, printing, manufacturing, and technology fields.

Through years of professional experience and formal education, Gene's specialized knowledge has enabled him to develop individualized programs for occupational safety, workers' compensation, and ergonomics. Assignments include health and safety program assessments, product safety management evaluations, hazard analysis workshops, ergonomics programs, OSHA 10/30 hour training courses, and many risk improvement projects.

Gene is certified by the Board of Certified Safety Professionals (CSP), having successfully completed specialty examinations in ergonomics and safety management. His educational background includes a Juris Doctor degree from the William Mitchell College of Law and a Bachelor of Science degree from the University of Minnesota. Gene is an attorney licensed by the states of Minnesota and Alaska. He is a Professional Member of the American Society of Safety Engineers, an Associate in Risk Management (ARM), and an Authorized OSHA Outreach Trainer.
